= Extension to summer term. This will only go ahead if we have sufficient interest. It will be fee paying only, 9:00 to 3:00 Monday to Wednesday. More details to follow early 2023.

As you can see, next year's calendar looks a little bit different with an 'Extension to the summer term' and we want to explain why we are offering this additional week.

As many of you are aware, from the age of 3, children are entitled to 15 or 30 hours funding. What is often not realised is that these hours are capped and you cannot exceed the annual total of 570 or 1140 hours. This equates to 15 or 30 hours a week for 38 weeks of the funding year.

Settings are permitted to stretch funding so they can for example reduce the weekly allowance to spread over a year but at MC Pre School, we only offer the full 15 or 30 hours over a 38 week term calendar which ensures the majority of children maximise their funding entitlement without exceeding allowances and parents don't receive any unexpected bills.

Every now and again, you get a year when this just doesn't quite work out. Rather than close earlier, we have made the decision to offer an extension week for parents who are working, may have children in primary school or who simply would like to send their child for some extra sessions. The sessions will be fee paying only and parents will be required to book and pay for sessions in advance.

The sessions will run Monday to Wednesday 9:00 to 3:00 with bookings opening late May 2023. Payment will be requested at the start of July. Thursday 20th and Friday 21st we will be closed which will allow staff to get the setting ready for summer maintenance/cleaning.

We will be setting minimum number for these sessions and if not reached, the sessions will be cancelled. The session being offered is 9:00 to 3:00 for a reduced rate of £30. Unfortunately, half days cannot be offered as financially we need to ensure staffing costs are covered for the full day.

More details will be made available at the start of the summer term.
