

# Donations and Garden Project

A massive thanks to Shire Homes for their donation which has enabled us to pay for the below moveable fence panels and weaver. These have made a huge difference as we're now able to safely close off the garden during the winter months and in the summer the weaver will have ribbons added as a new outdoor activity for the children to enjoy. A huge thank you to Rodger Gibbs for constructing these for us.

# A big thanks to ...

Kate, Jonathan, Alex and Tommy Canning for the amazing balance bike they donated to the pre-school. The children have loved this so much and we're sure it'll be a huge hit for many years to come.
