MATCH FUNDING FOR YOUR SCHOOL

What is matched funding?

It's when one group raises money and another group agrees to match the amount that's been raised or a percentage of the amount raised.

It's not just big businesses. Matched funding has tax benefits for companies, so lots do it, from big bank and high street names to smaller, one-off outfits.

PLEASE PLEASE PLEASE get in touch if you work for an organisation that has a match funding policy or if you don't know, maybe try and speak to your manager or accounts department to find out if you do have one.

Sponsorship or Donations

If you work locally please get in touch if your organisation or business would like to support a project, sponsor or run an event with us or make a donation

We are always looking for ways we can support or work with local organisations so please contact us at:
